Fuel Injection Repair	18 Months	Yes	No			

NOTE 1:

Reference Section 4.8.3, Batteries detailing battery warranty coverage.

NOTE 2:

No labor paid on Gold Value parts failure. Gold value parts must not be used for a warranty repair except for replacing a Gold Value part failure. For Gold Value parts found defective 'out of the box' prior to installation, reference Section 4.3.2 Shipping and invoice discrepancies.

NOTE 3:

Warranty of Laser Grader Box components carry a 1 year warranty from the date of retail sale, while warranty for the rest of the unit is 3 years from the date of retail sale. Warranty does not cover the following components:

- Non-defective replaced as a result of expected wear during the warranty period,
- Failures due to incorrectly stored, installed, maintained or handled products
- Defects related to finishes, coatings and logos/decals, to the extent such defects are caused by normal wear and tear,
- Failure as a result of having been incorrectly installed or maintained after delivery to a dealer or customer.
